

# The Power of Change

Student Name\_\_\_\_\_

## Choice #2 Requirements

1. Choose a variety of poems, song lyrics, movie clips, or articles that have to do with change.
2. You must include **at least 5 examples** that illustrate change. They can all be from the same type of genre (for example, they can all be poems) or they can be a mixture of different genres. You must include an example from each of the generalizations about change
  - a. Change is linked to time
  - b. Change can be positive or negative
  - c. Change can be perceived as orderly or random
  - d. Change can occur naturally or be caused by people
  - e. Change is everywhere
3. You should include a short summary for **each item picked** that explains how that item is related to change. You must include what category the change falls under and explain why it falls under that category.

Circle any technology that you plan on using for your project. If you would like your project posted on the website, you may want to choose technology that would make that possible.

PowerPoint          Digital Movie Maker          Slide Show Creator

iPod          Video Camera          \_\_\_\_\_

## CALENDAR

Step	Take home project, show parents and get signature	Write summary of your plans and choose technology	Create a rough draft of your project.	Bring final project in to share with class.
Due Date				
Check when done.
